

This is a list of osteopathic organisations and institutions worldwide, arranged alphabetically by organization name. It is intended to assist osteopathic professionals and interested others in finding and reaching osteopathic institutions around the world.

The Osteopathic International Alliance is providing this information for the convenience of users. The OIA is unable to provide any warranty regarding the accuracy or completeness of the content, or the reliability, quality, or effectiveness of any products that external organisations provide. Links to external websites do not imply endorsements of the views, information, or products provided or held by such websites.

To suggest additional organisations or to update a current listing, e-mail OIA@osteopathic.org.
