

The European Register for Osteopathic Physicians – (E.R.O.P.)

The European Register for Osteopathic Physicians (E.R.O.P.) is an association that promotes excellence in osteopathic medical education, research and health care delivery for European-trained osteopathic physicians, and is organised to advance the philosophy and practice of osteopathic medicine throughout Europe. The E.R.O.P.'s mission is to define the conception and significance of osteopathic medicine within health care systems in Europe through emphasis of highly qualified and well-trained osteopathic physicians to ensure a safe and efficient osteopathic care for all patients. The association accepts European membership and currently has 16 full members located throughout Europe.
