Re: Updated Bylaws

Dear Members,

At the 2016 AGM in Anaheim, CA, a number of amendments to the Bylaws were approved by a vote of the membership. These amendments largely focused on two areas: Firstly, there was an identified need to retain knowledge within the organization. As such, it was agreed that the Immediate Past Chair would remain as a full member with voting rights for the duration of the term of the next Chair i.e. two years. Secondly, there was a change to the definition of Associate Membership.

Following these amendments to the Bylaws, the Board felt a complete review of the document was in order, to ensure that it remained coherent, legally accurate, and consistent both as a document and in terms of the overall aims of the OIA. This reflected concerns that the document had become fragmented as a result of incremental changes made over the years.

This version of the Bylaws has been produced to attend to the changes agreed at the last AGM and resolve the issues identified during the review.

Summary of Changes

Generally, the document has been formatted with paragraph and page numbering in order to make referencing easier. The document has also been issued with version control in order to make the tracking of changes easier and to ensure consistency when discussing the document.

All past dates that were referenced in the document that are no longer relevant have been removed, and the document now refers to the American Institute of Parliamentarians "Standard Code of Parliamentary Procedure" as its reference for governance protocol.

3.3.1 Moved to Policies and Procedures Manual (this was a repetition of the statement in 3.2.1. Therefore, members can reference the Policies and Procedures Manual if further clarification is required)

3.4.1.1 Paragraph amended to reflect that both Osteopathic Physicians and/or Osteopaths need to be regulated in order to meet the requirements of Full Membership

3.4.2 Paragraph removed because it conflicted with the nominations timeline

3.7.1 Dates amended from March 30 to March 31

4.1.3 Amended to make it clearer who has right of waiver

5.1.1.4 Has been added to reflect a potential requirement for the Board to contract for secretarial support

5.1.1.4 The original paragraph "When appropriate and OIA is financially able, hire a Chief Executive Officer (CEO) to manage the day-to-day activities of the OIA, and until such date as the OIA is financially independent the AOA shall act as the Interim Secretariat to achieve the goals of the OIA" has been Moved to Policies and Procedures Manual

5.4 Has been amended to make the nomination process for new delegates less confusing

6.1.2 Has been amended to reflect the term of the Chair

6.2.3 Has been amended in order to allow the Treasurer to appoint a delegate to take minutes of the Board meetings

Article XI Mediation and Arbitration. Moved to Policies and Procedures Manual

Future amendments to the Bylaws will undergo a rigorous process of version control to ensure that members can track the evolution of the document.

We look forward to seeing you in Auckland next month!

Sincerely,

Stephen Hartshorn
Chair, Governance Committee
