

OIA Annual General Meeting October 4, 2019

Bad Nauheim, Germany

CHAIR'S REPORT

Dr. William J. Burke
Board Chair

To ensure that every person worldwide has access to high-quality osteopathic healthcare

Our Mission

To encourage systems of education and regulation that will ensure high standards for safe and effective health care from osteopaths and osteopathic physicians.

Our Core Values

- Uphold the stewardship of osteopathic philosophy and practice
- Acknowledge and respect both streams of osteopathic healthcare
- Encourage and support collaboration
- Uphold transparency and integrity
- Embrace altruism and person-centeredness
- Commit to good governance and accountability to ensure organizational sustainability

WORLD HEALTH ORGANIZATION

- Since our establishment in 2003 we have maintained an active program of work with WHO, including the Benchmarks for Training in Osteopathy, supporting WHO policies and programs, advising on matters relative to the osteopathic profession, and attendance at annual and other meetings.
- ***The OIA was admitted into official relations with the WHO as a non-governmental organization in February 2018.***
