

Regulatory updates panel

**2 questions:
and update
on where
regulation is
up to and
what has/is
the biggest
challenge or
opportunities
over the next
12 months**

Panel:

Hanna Tomasdottir - Danske Osteopater

Bertrand Courtecuisse - Ostéopathie Québec

Laura Lee Kamppila -Norwegian Association of Osteopaths/ Finnish Osteopathic Association

Mauro Longbardi - Registro degli Osteopati d'Italia

Regulatory situation in Finland 2019

Laura Lee Kamppila/ Finnish Osteopathic Association

Annual General Meeting OIA

Bad Neuheim, Germany

6.10.2019

State of the affairs:

No. 559/1994

Health Care Professionals Act

Issued in Naantali on 28 June 1994

- Regulation since 1994
 - Protected title (National Supervisory Authority for Welfare and Health, Valvira)
 - Two CEN- standard audited schools
- Finnish Osteopathic Association (Suomen Osteopaattiliitto Ry) 1998
 - National Digital Patient Data Repository (THL) 2019
- Healthcare re- form 20XX???
 - EU- laws-> licenced professionals
 - Actions of Ministry of Health
- Law for alternative healthcare
 - State
 - Citizens' initiative

Points to work on...

- Collaboration between professions
- Communication within profession
 - Role of schools
- Orthopedic osteopaths
- Lobbying
 - CEN
 - Benchmarks
 - Survey
- Public health care

Thank you!

www.osteopatia.fi

Thank you for your contribution to our regulation!

Without the WHO Benchmarks and the CEN it would have been very difficult, as we don't have a fulltime Danish accredited education!

 Danske Osteopater

Folketinget 15. maj 2018

Folketinget 15. maj 2018

Regulation since 1.July 2018

- The Patient Safety Authority issues authorisations/license to practise
- ...based on the minimum demands: 4200 hours and 1000 supervised clinical practise
